Rye Y Group Exercise Instructor

The Y is the leading nonprofit committed to strengthening the community by connecting all people to their potential, purpose, and each other. The Rye YMCA is a family-oriented community service organization which welcomes all people and promotes positive values through programs that build spirit, mind and body. Our programs are designed to help people create realistic goals for self-improvement through regular exercise, proper nutrition, stress management and health education.

There are over 200,000 visits per year to our Rye Y facility by health seeking teens, adults and seniors. In addition, through our outreach initiatives, we actively promote community wide wellness by offering programs and services that would otherwise not be available. Most importantly, the Rye Y works to ensure that our programs and services remain accessible to all through a variety of on-going philanthropic endeavors.

Our primary cause is to strengthen the foundation of community through a focus on three areas: youth development, healthy living, and social responsibility.
